## PREFACE

President Trump, since the first day you walked down the escalator declaring your candidacy for the presidency, God spoke to my heart and said, "Pray for Trump." While I am not a political person, I obeyed and prayed. After four months of prayer, I met you at a rally in Norfolk. You came over to me to introduce yourself, much to my surprise. However, I had been praying for you diligently all that time and I believe you were responding to the presence of God in that moment. Your stopping to say, "Hello," so blessed me that I went home that day thinking, "I don't just want to say my prayers. I want to give Donald Trump a tangible expression of my prayers." I then wrote a 120 page hand written prayer book for you which God made possible for me to give you directly during your Hannity Show taping in Fayetteville, NC, on my birthday, March 9th!

I was so thrilled to be able to give it to you directly through the hands of your secret service man, Keith. On the way home, I heard these words, "prayers for the president." I knew I was to write a book for you that would be compilation of prayers from the people to bless you in a tangible way with the heart of the Father through our hearts. This book is the result of that effort. I must thank the efforts of Dr. Joseph Peck of Empower 2000, who was my "trumpeter" in getting the word out to people, and to Laura Nieminen, with

Rising Paragon LLC, for her assistance in editing and compiling the prayers.

I was overwhelmed at how much people love you and how much God loves you to have people praying for you all over the world. While your enemies have been fierce and visible, our hearts are to let you know that the power of love and prayer is the best shield of defense and offense you have. We are praying for "wisdom from above," and it is our hope that you will pray these prayers every day, one a day for your first 100 days—and then some—as we will be praying the same prayer with you! Some have prophesied that this is the beginning of a prayer revolution!

Please accept this book as an expression of the great love America and the world has for you—and the great love and concern we as a people have for our nation to become Great Again. We know that it is our prayers that go up to God that move heaven and earth on our behalf. We pray and believe that the prayers in this book will comfort, inspire, strengthen, and guide you to hear the heart of the Father whose desire is to walk with you throughout your presidency in much the same way as partnering with your earthly father brought you resounding wisdom and success. With great love and affection, and the desire for you to receive wisdom from above, we present this book to you and your family. We hope it is the beginning of many to come! Please feel free to call upon us to pray at any time. As your spiritual caddy club, we are here for you!

## DAY 1: WISDOM AND WEAPONS FROM ABOVE

**“The wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, impartial and sincere. And a harvest of righteousness is sown in peace by those who make peace.” (James 3:16-18)**

**“The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.” (2 Corinthians 10:4,5)**

President Trump, since the first day you announced that you were running for president, God put it on my heart to pray you through to victory, all the way to the finish line. The more I prayed for you, the more I felt the love of God for you. I decree that just as you partnered with your earthly father for your business success, you will partner and be mentored by your heavenly Father for wisdom, knowledge, and confidence for your presidential success. This is your Father’s business that you are about and He will make sure it will be a success as you seek Him and follow His ways and blueprints.

Father, I lift up Donald Trump to Your throne. I pray that You will form in him the character of a president that is made in the image of Your son, Jesus Christ. I pray during this time of pressure and testing, that You will use it to bring him to Yourself. For the warfare that he will have to address and overcome in the days to come personally and nationally cannot be waged and won with human wisdom, however good that is. It will require wisdom from above, which only You can give. So we pray for the formation of the spiritual man in Donald Trump, above and beyond the businessman and leader. May he increasingly sense the limitations of his own abilities, capacities, and amazing gifting---and begin to look to You in a brand new way to be His Father in this hour, to be his Source of Wisdom in his presidential championship. Teach him to skillfully wield the weapon of prayer executed with spiritual authority—a new weapon—just like learning the advantages of getting a special new golf club to have the winning advantage. Use godly people to speak truth and the Gospel to him. We pray his ears would be open ONLY to godly wisdom, especially in the choosing of his leaders and in the direction for our nation. Bless him with sound sleep and recovery from stress, with some time for golf, too. Give him a picture of what victory looks like these next 100 days and beyond and let him score big in the presidential championship. Rejoice and get ready for a whole new level of victory!

## DAY 2: TO INTIMATELY KNOW THE GREAT I AM

**"Thus says the LORD to His anointed, to Cyrus, whose right hand I have held—to subdue nations before him and loose the armor of kings, to open before him the double doors, so that the gates will not be shut: 'I will go before you and make the crooked places straight; I will break in pieces the gates of bronze And cut the bars of iron. I will give you the treasures of darkness and hidden riches of secret places, that you may know that I, the LORD, Who calls you by your name, AM the God of Israel.'" (Isaiah 45:1-3)**

President Trump, first of all, I want to thank you and Melania for your faithfulness to one another, your family, and our wonderful country. Thank you for all the hardships and abuse you have endured to get to where you are. For me the turning point to embracing you and your candidacy came shortly before the Indiana Republican primary, which sealed your victory in the Primary race. A few days before that, I was talking to Laura Nieminen, an Indiana resident and the top worker for my company. Laura told me she and some other Christians see you as a modern day Cyrus to set the captives free. Suddenly a light bulb went on and I saw God's sovereignty in selecting you as His chosen vessel to restore America. Then after reading Lance Wallnau's book "God's Chaos Candidate: Donald J. Trump and the American Unraveling" several weeks before the Presidential election, I understood much more.

Most gracious and merciful heavenly Father, thank You for choosing President Donald Trump to champion Your cause to make America great again—a beacon of light to the world—“for such a time as this” (Esther 4:14). Thank You for preparing, guiding, and protecting President Trump on his life-long journey. Thank You that President Trump values life and unabashedly proclaimed he will choose pro-life judges for the Supreme Court. May President and Melania Trump’s “delight be in the law of the LORD, and may they meditate on Your law day and night, so they are like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; and whatever they do shall prosper” (Psalm 1:1-3). May You bless President Trump with the heart of King David and the wisdom of King Solomon. “The LORD bless you and keep you; The LORD make His face shine upon you, And be gracious to you; The LORD lift up His countenance upon you, And give you peace” (Numbers 6:24-26). In Yeshua’s name, we in America and throughout the world pray, Amen and hallelujah!

### DAY 3: HEAVEN VOTED

**"He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" (Micah 6:8)**

My Dad chose this verse to guide him after he gave his life to the Lord at age 14. He was quite excited to observe the increasing ground swell of support as you amplified the heart cries of so many frustrated Americans. He died in my arms January 12, 2016 just as I shouted a big "YES!" during Nikki Haley's Republican response to the last State of the Union Address. He was deeply concerned for our nation and SO hopeful about the upcoming presidential election! A few days earlier he said, "I need to get an absentee ballot." Both aware that his time here was short, I laughingly replied, "Dad, I think that's still illegal!" It felt like all of heaven voted that day, November 8<sup>th</sup>, 2016; what glorious opportunity opened! Almighty Creator and Ruler of All, the One who opens doors that no man can open, who shuts doors that no man can shut, the One who sets kings in place and removes them, the One who knows us best and loves us most, we thank You. We sing, we dance, we shout, and cheer because in this opportunity You have shown such mercy, such favor to America and our new President.

America is not done needing mercy or miracles, Heavenly Father! Thank You that Donald Trump and his team will know both in abundance. Thank You, Yeshua, for being Emmanuel, God with us, through every phase of his personal new beginning and through America's, including life's inescapable seasons of helplessness and dependence. May he see Your goodness there and everywhere; how it flows, where it goes and what it does. Under his leadership may true justice again marry righteousness, birthing unprecedented mercy and grace to overtake strife and division. Pump Your perfect wisdom through every teachable heart in our nation as we dedicate ourselves to You and set us on fire with 'freedom's holy light.' Remind him often, Father God, that true kings have wise father's hearts and the passion of enthralled husbands laying their lives down for their brides. Give him creative balance to manage a massive potential eight year assignment with a lifelong commitment to his family. Bless him to stir up and shake out the salt of the earth in our nation for the enhancement and preservation of Life and Light around the world, so that he will not end up stewarding a Dead Sea. Finally, for this page but not my prayers, may he be stunned with wonder, not as much to be President of the United States, as to be a favored Son of the Most High God.

## DAY 4: HEALING OF OUR NATION AND GETTING BACK TO THE FOUNDATION OF LIBERTY

**"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin, and will heal their land." (2 Chronicles 7:14)**

Dear President Trump, We are grateful to God for giving America one more chance to turn around—to turn back to common sense, liberty and freedom. We are grateful God has called you to lead America “for such a time as this.” Now is the time for the healing of our nation. One reason America became great was that our Founding Fathers based their new country on common sense principles, which every historian knows came directly from something called “common law”—a system of governing we inherited from our mother country, England. Common law was so **common** back in those early days that it wasn’t even written down. Everyone *knew* that *lying, killing, and stealing were wrong*. Why was common law so common? It came directly from the “Decalogue” – The 10 Commandments—God’s laws for society which are the foundation for goodness and American’s greatness. Without these laws, the nation crumbles. God wants to heal our land, but first we must humble ourselves, pray, seek God’s face and turn away from our wicked ways—and turn toward God’s way.

Heavenly Father, we come before You with humble hearts and pray that You will wrap Your loving arms of protection around Donald J. Trump, his amazing wife, Melania, their son, Barron, and the whole Trump family. These are serious days in America and the world, and we pray that You will give President Trump Your wisdom and grace in everything he says and does and surround him with wise and godly advisors. We pray that under his leadership, the evils of totalitarian godless governments around the world will crumble. We pray that Americans will turn from our wicked ways and that You will heal our land. God, we pray that You will use President Trump to remind Americans and the world the true foundation of our liberties—common law, God’s law. God, we love You, and ask for Your blessings on the Trump family and on America. In Jesus’ holy name. Amen!

## DAY 5: WISDOM AND DISCERNMENT

**“If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.” (James 1:5)**

**“Teach me good judgment and knowledge, for I believe Your commandments.”  
(Psalm 119:66)**

Hi Mr. President, My name is Luke Fulton. I am a 16-year-old from Canada and I love God. I have been following the election in the USA as much if not more than my own politics here in Canada. Not only do I follow, but my parents have taught me to respect and pray for those in authority over us, for those who make decisions that affect our lives. My mom was an international student in Virginia, in your country. I have admired the way you have handled the election no matter how callous it became and I respect you for that. I know you will do right by the American people who elected you and for the surrounding countries that you can also influence for good or ill by your decisions. Thank you for running for President. We are glad you did.

God, I pray for President Trump that he would have a lot of wisdom as he leads America. Give Him Your wisdom. May he know You love to hear his voice calling to You. May he ask You for wisdom and know that You will give it to him, freely, fully and gladly. Give him discernment and the ability to see things for what they really are, and not for what we want them to be. May he discern well both domestic and world events and trends. Father in Heaven, I ask You to give him wise advisors and the grace to listen to those wise advisors. Amen.

## DAY 6: PRESERVE, PROSPER AND PLANT TO DECLARE AND WIN

**"All the kingdoms of the Earth hath the LORD God of heaven given me, and he has charged me to build him a house in Jerusalem, which is in Judah. Who is there among you of all his people? The LORD his God be with him, and let him go up." (2 Chronicles 36:23)**

President Trump, you said, if you ever ran for office, you would run only to win. In Africa, a new sense of hope has arisen for those who have persisted in what must happen to rid themselves of mediocrity. They have been greatly inspired by your resolve and focus. Law and order must return to our shores. The Law shall go forth from Yerushalayem. It once was that the biblical tenets supplied the laws of nations. This far, O President Trump, you have not cared for political correctness, and your decree shall not be popular and politically correct. However, remember, all those who had influence all over the world stood against you, and you won. Be an instrument in His hand for righteousness.

Hashem, You decree a matter and it comes to pass. By Your Spirit You have brought President Donald J. Trump in this season with the spirit of the prophets upon him and a sword in his mouth. We ask for him a spirit of perseverance as has seen him through many challenges in his life until now. LORD GOD, preserve President Trump in his going out and in his coming in from this time hence forth. Let him walk in the anointing of a Cyrus and be aware of it. LORD, You have given him the kingdoms of the earth, seeing that United States of America has huge influence all over the world. May he decree a matter and it shall stand. FATHER GOD, Creator of heaven and earth, create in this man, President Donald J. Trump, a new heart that preserves truth and eschews and hates double standards and the destruction of nations. Give him a burden for America and a burden for the welfare of Israel and Your house. God, You stretched forth the heavens and laid the foundations of the earth; You formed his spirit within him. God, therefore, lay the foundation of his 8 year-presidency. May he be diligent, listen to and believe Your prophets and prosper. Decree a word that Yerushalayem may become a cup of trembling unto all the people round about her. Father God, may President Trump take a trumpet and sound it over the nations and make a decree that Jerusalem shall be inhabited as one compact city and thus shall he prosper the USA, his presidency and his generations. We cut off from President Trump all the liabilities of those who went before him and the snares of the office and its deep roots fed from places other than the river of God. May all the plantings that are not of God be uprooted and the fallen giant tree and cedars be cut up and burned with fire. Father God, on 20<sup>th</sup> January at 12.00 noon, 2017 (22<sup>nd</sup>, Tevet 5777) give him a spirit that will lead a new redemption and exodus from captivity for Your people and grant Trump the anointing of a Cyrus. Amen.

## DAY 7: A MAN AFTER GOD'S OWN HEART AND CROWNED WITH WISDOM TO LEAD THE UNITED STATES OF AMERICA INTO TRIUMPH!

**"He made David their king. God testified concerning him: 'I have found David son of Jesse, a man after my own heart; he will do everything I want him to do.' (Acts 13:22)**

President Trump, I am an Australian with an incredible love and heart for your nation. A short while after you announced that you were running for President, the Lord gave me a dream that He was going to use you to bring VICTORY and TRIUMPH into the United States. Ever since, I have felt God's heart for you and seen clearly His hand of anointing upon you, to partner with Jesus to bring the greatest shift into America's God ordained destiny that has ever been seen. Right before the election while seeking the heart of God and praying for you, I had a vision where I saw Jesus place a crown upon your head and Jesus said to you "During your Presidential Term, I will make you more like King David, a man after My own heart." You are going to know Jesus in a way you never have before in your Presidential Term. You will hear from Him and pursue His heart with greater hunger than you have ever experienced. The wisdom that you are crowned with is from on high and will bring breakthrough into the nation and bring LIFE back to her again. He trusts you President Trump, and He has given you the grace to accomplish all you need to for the nation He loves. I honour you for your boldness, your humility, your courage to speak, your kindness and especially your love and father heart for the United States.

"Father, I thank You for President Trump and his heart to know You and for the nation of America. God, I pray that You would reveal Yourself to Him in ways He has never imagined or experienced. God, that You would speak to Him and breathe upon Your Word for Him. God, continue to increase in him a heart like King David, a heart to know and pursue You and that President Trump would know You in this season as a faithful friend to him, like David did. Jesus, I pray for Your wisdom that You have crowned him with to continue to increase through his Presidential Terms. I pray that You would give him eyes to see with even greater clarity, and that in partnering with You, he would see the United States broken free from the chains of the past, and move forward into a new day - a day of freedom, life, joy, victory, triumph, healing and breakthrough. Jesus, I pray that You would strengthen, empower and refresh him by the power of Your Spirit. Whisper your words of life and wisdom to him, that as he speaks, Your arrows of breakthrough would be released into the nation and move her into her new day of destiny. In Jesus' name, Amen!"
